NOTE.

By comparing this Catalogue with the Annual Catalogue of each year, it can be seen what proportion of the young Ladies of the Seminary are members of this Society. It has embraced all the teachers, and all the members who have graduated, with few exceptions, and a large proportion of those who have for any length of time been connected with the Seminary. Young ladies can become members of the Society after leaving the Institution. Any one desiring to do this, will need to write to the Secretary, stating her wish, and enclosing the fee of membership.

The Constitution requires that the next Catalogue of the Society be published in the year 1862, and that each member write to the Secretary in January of the same year. These letters should be written promptly, as any delay will greatly increase the business of the Society.

Married members of the Society are *particularly requested* to state their maiden names, in their letters to the Secretary.

When the Annual Catalogue is not received by any member of the Society, the Secretary should be informed of the failure.

The friends of the young ladies are requested to communicate to the Secretary cases of decease among its members, together with the circumstances of their death. In the records of the Society, a blank page is reserved for each member, to be filled with her future history. As a tribute of affection, it would be a mournful pleasure to record the last events of her life.

In collecting facts, there may have been mistakes, though great effort has been made to avoid it. When mistakes are found, the members are requested to communicate the same, that corrections may be made in the next Catalogue.

TIME FOR PUBLISHING THE NEXT CATALOGUE.

1. The next Catalogue is to be published in 1862.

2. It will be the duty of the Secretary to send letters, between the 1st and 15th of February, to all those from whom letters are not received during the month of January.

3. If answers are not previously received the Secretary is to write a second letter before the 15th of March. A similar course will be pursued in April.

4. The Catalogue is to be finished, and a copy forwarded to each member in June.

5. If any member does not receive her Catalogue before the middle of July, she is requested to write immediately to the Secretary, that the mistake may be rectified.
